

Site Data (Simon Coddick) Ltd accepts no responsibility for this plan and/or associated reports to any party other than the original client for its original purpose.

**Notes:-**

This plan has been surveyed to the scale shown. Caution should be exercised where dimensions are made as they are not guaranteed to be correct prior to the commencement of any works.  
All dimensions have been measured or estimated from ground level.

True spaces shown should be treated with caution and expert advice should be sought for a surface inspection only, due to Health and Safety requirements.  
Every effort is made to identify all visible above ground structures and services, but it is not possible to guarantee that all services are shown or that the survey was undertaken.
